

Thames Hare & Hounds 'Second Sunday 5' v Milocarian AC (and Others 12th February 2017 on Wimbledon Common

The race was very worthwhile; we had 9 runners, 5 regulars and two pairs of newcomers introduced by Tom and Jamie on a fairly cold, wet and muddy course. (draft results below). We did pretty well in a field of 40-odd, Tom coming third overall (he is obviously making a determined bid for the Ploen Trophy, this year) with Hamish not far behind him and then a further four Milos well packed not much further back. Laurence Hunter and Aled Basey look quite handy, but Josh Younger and Charlie Todd had a bit of a reality check, I think; nevertheless, they both have potential. All the four 'visitors' expressed an interest in running for us again and I think they should be encouraged, they fitted in well. Felix Keating ran well, being our fourth finisher and considering he has not been racing, looked strong. Unfortunately, he is being deployed shortly, but hopes to be back in time for the Runnymede relays. Josh and Charlie are both training for the London Marathon so, if they put the miles in, they will inevitably improve significantly for shorter distances.

Our finishing order was Tom Rann, Hamish Waring, Laurence Hunter, Felix Keating, Richard Adamson, Jamie Kelly, Aled Basey, Charlie Todd and Josh Younger. Thames were very welcoming and are intent on fielding a team at Sandhurst. On a quick head count, the availability for the Ellis Trophy should be good.
