

Ellis Trophy - 30th March 2019 5.55 miles Richmond Park
INTER CLUB RACE

The five mile Ellis Trophy event took place in Richmond Park in warm conditions of sunshine. The race proved to be a close encounter between Ranelagh AC, Stragglers AC and Milocarian AC. With all the runners involved in a tight race throughout, the team event this year proved to be a very good contest. Congratulations to Rory Jordan of Milos who was in the leading group throughout; he finished strongly in 2nd Place. Congratulations also to Kelley Haniver of Milos who dominated the ladies race from the start to finish, to win her event most convincingly. The team event was won by the hosts Ranelagh AC with Milocarian AC third in an evenly contested match. It was encouraging that new club runners were involved in the match and so able to take the place of those unable to run due to duty or injury. Well done all the Milos runners! The support of Brigadier Tony Ling as well as the Wyvern Club supporters was much appreciated.

Paul French
