

Runnymede Runners Runnymede Summer Relay Results - Saturday 2nd July 2022

The Runnymede Relays event on 2nd July was run in good but quite blustery conditions over the attractive undulating 3.5 mile course in Windsor Great Park. Milocarian AC were well represented by three teams with all members running hard to produce several good individual performances. We were delighted to welcome three new members with Sam Clamp, Jo Foresheew and Isabella Stephens all running for Milos for the first time.

Tom Rann provided a boost for Milocarian Blue when he opened a strong lead of several minutes on the first leg. The lead was maintained throughout with Andrew Reeves and Ady Whitwam providing a strong team finish. Jessie Ludwyche is warmly congratulated on winning the Ladies Trophy in producing the outstanding time of 20 mins and 10 seconds on the third leg with a particularly strong run. Woking AC finished well but were unable to threaten Milos and finished some two minutes behind in second place. This was a fine win by Milocarian Blue. Our other two teams Milocarian Red and Milocarian Yellow all ran well being placed 7th and 14th respectively. Well done to all our runners!
